LETTER OF RECOMMENDATION

To Whom It May Concern :

Voith Hydro worked with Certified Coating Specialists Inc. during the BC Hydro Revelstoke Unit 5 construction project.

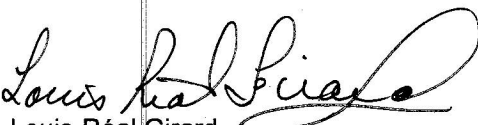

Certified Coating Specialists Inc. carried out the coatings scope of work inside and outside the spiral case, draft tube and elbow.

They completed all tasks without any safety issues or any environmental incidents in the extreme environmental conditions.

Voith Hydro will not hesitate to utilize the services of Certified Coating Specialists Inc. for future projects and highly recommends them to other companies.

Should you require further information, please do not hesitate to contact the under-signed.

Best Regards,

Louis-Réal Girard
Site Manager
