Mr. **Neil Van Asperen**
KPC Coatings Group Ltd

February 20th, 2008

Ref: KPC Coatings Group Ltd

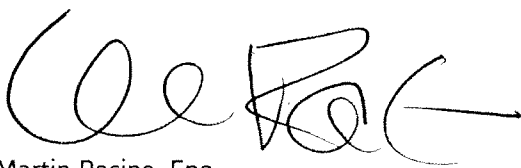

To Whom It May Concern,

Alstom Hydro Canada has retained the services of KPC Coatings Group Ltd for the site portion of the painting works for the Brilliant Expansion Project in Castlegar, B.C.

We have been very pleased with the performance of KPC Coatings and their representative Mr Neil Van Asperen, namely in regards to competence, availability, efficiency and safety management on site.

We therefore recommend this company as an excellent choice for site painting works.

Regards,

Martin Racine, Eng.
Project Manager
